

Information and rules of conduct for the traffic training area

Requirements for the use of the traffic training area

People who wish to train must be at least 16 years old.

Accompanying persons must be at least 25 years old and have held a valid driving licence for at least three years.

No vehicles will be provided.

Motorbikes and cars (without trailers) are permitted. Motorhomes and small transporters are not allowed.

Procedure

1. All vehicle occupants must first go to the main building for registration.
2. Have your identity card or passport, accompanying person's driving licence and vehicle registration document ready.
3. Access to the premises will only be permitted following a briefing by the attending staff.
4. The use of the traffic training area will be charged by the hour.
5. Staff instructions must be observed, in case of non-compliance, the visitor will be expelled.

Our course rules

- Do not drive on green areas.
- Seat belt use is compulsory for all vehicle occupants.
- The maximum permitted speed is 30 km/h.
- The rules of the StVO (German Road Traffic Regulations) shall apply on the premises.
- The accompanying person shall always remain in the vehicle with the trainee during the session.

Additional information

The toilets can be found in the main building.

Breakdowns or accidents must be reported to reception immediately.
